

TLC OUTREACH PROJECTS
TABLE VIEW

26 April 2021

To whom it may concern.

Serving in your community.

Thank you, Red Gravel Construction, for your kindness in assisting TLC OUTREACH PROJECTS to set up our Wendy house, allowing us to council the abused and abandoned children and families.

Your policy to give back to the community has been a blessing .

This winter we are pleased to advise no more muddy sand due to large area being paved, thanks again to Red Gravel Construction and team .

Many thanks
TLC Management
